AdwCleaner (Version 1.44.29.0)** is a free, nimble, open source utility for the removal of advertisements from your system. It's a free Windows application and also supports Windows systems as well. With the new version of AdwCleaner, you can remove Adobe Flash Player, Adobe Flash Cookies, Microsoft Silverlight, and various other types of intrusive advertisements. It also provides a faster and smoother system by improving the usage of RAM and disk space. AdwCleaner V1.44 Activator [0calh0s]! . AdwCleaner (Version 1.44.29.0) : .
